

# One Acquisition Solution for Integrated Services (OASIS)

## OASIS and OASIS Small Business (SB)

GSA's OASIS Tier 3, Best-in-Class (BIC) solutions make procuring complex professional services expedient by maximizing streamlined acquisition processes.

GSA has already done the heavy lifting of negotiating and awarding a master governmentwide indefinite-delivery/indefinite-quantity (IDIQ) program (under FAR 16.505), allowing agency acquisition professionals to focus on mission-critical requirements.

### OASIS core disciplines:

- Engineering services
- Scientific services
- Logistic services
- Financial services
- Management consulting services
- Program management
- Research and development

### Benefits of using OASIS:

- Multiple-award, IDIQ, contracts (MACs) available to all GSA-approved agencies
- Multidisciplinary governmentwide contract for professional/integrated services
- Single solution for complex requirements
- Multiple technical areas/mission spaces
- Maximum flexibility for ancillary support
  - Labor and materials
  - Other Direct Costs (ODCs)
- Supports commercial and non-commercial items
- Supports all contract types, including FFP, T&M, cost, hybrids, etc.
- Prohibits protests on orders valued at less than \$10 million
- No maximum order or ceiling limitations
- Direct access to socioeconomic concerns to maximize small-business participation
- Designed for long periods of use
  - Task order can be awarded through 2024
  - Task order's Period of Performance is through 2029
- Ordering CO determines:
  - Terms and conditions and/or provisions and clauses
  - Evaluation criteria
  - Method of awards
- GSA-managed program and master-contract administration
- Avoids the cost and time to award and administer agency IDIQ contracts
- Reduces contract duplication and administrative resource allocation
- Flexible contract vehicle providing a single solution for complex professional services in multiple technical areas/mission spaces with maximum flexibility for ancillary labor, materials, and ODCs
- Highest-rated community of contractors who have undergone rigorous pool qualification to ensure competency including past experience, past performance, and certifications
- Proven experience – with every contractor having experience supporting federal customers
- Master-level on-ramp procedures ensure greater competition and larger access to socioeconomic concerns, as well as expand opportunities to secure OMB Tier 3, BIC task orders
- Streamlined acquisition procedures
  - FAR Subpart 16.505 streamlined acquisition procedures keep it simple
  - Offers the ordering contracting offer broad discretion in developing task-order placement procedures
  - No synopsis or posting solicitations on [beta.sam.gov](https://beta.sam.gov)
  - No requirement for FAR Subpart 15.3 source selection

### How to Issue an Order under OASIS

1. Delegation of Procurement Authority (DPA) is required to issue an order on OASIS.
2. Determine the OASIS principal-purpose NAICS code of your requirement (this determines the pool).
3. Determine if setting aside the order to small business.
4. Build the solicitation using FAR 16.505 ordering procedures.
5. Issue order solicitation under the determined pool.
  - [OASIS pool links](#) or eBuy were designed for this purpose to ensure fair opportunity requirements [FAR 16.505\(b\)\(1\)](#).
6. Receive the offers.
7. Evaluate offers and make award in accordance with your solicitation evaluation criteria.
  - Document award decision [FAR 16.505\(b\)\(7\)](#).
  - Award order to successful offeror (must reference OASIS contract number).
  - Provide notice to unsuccessful offerors.
  - For orders exceeding \$5.5 million, see post-award notice and debriefing procedures in [FAR 16.505\(b\)\(6\)](#).
  - Provide completed [OASIS Ordering Guide Appendix F](#) and complete copy of task order to [OASIS@gsa.gov](mailto:OASIS@gsa.gov) within five days after task-order award.
  - When reporting in FPDS ensure order references the OASIS contract number.
  - FBO notice of award not required except as detailed in [FAR 5.301\(a\)\(2\)](#).
8. Post-award: Submit changes in order value to [OASIS@gsa.gov](mailto:OASIS@gsa.gov) ([OASIS Ordering Guide Appendix G](#))

This process can be found at [the OASIS website](#).

### Use OASIS 8(a)-only Sub-Pools for All Orders under the 8(a) Program

- A [beta.sam.gov](https://beta.sam.gov) notice of award is not required except as detailed in [FAR 5.301\(a\)\(2\)](#).
- No protests allowed for orders valued up to \$10 million; see [FAR 16.505\(a\)\(10\)\(i\)\(B\)\(1\)](#).
